

Are you dyslexic?

More than 10% of the population is dyslexic...

But many people don't know about their dyslexia!!

**Test yourself:**

Identify the mistake in the following words.

You have 3 seconds for each word:

Ok... that was still easy. How about these:

Borcolli	Broccoli

Ok... for the last two I was kidding! Ha-ha! Got ya!

However: if you did not see the mistakes in the first words, you may belong to the 10% of people affected by some form of dyslexia...

And don't worry... You are in good company! Famous people with dyslexia: Albert Einstein, Jim Carrey, Whoopi Goldberg, magic Johnson.
