Application for  Fall 20\_\_  Spring 20\_\_  Summer 20\_\_

**Please read the following instructions before completing application:** This form should be used only for application to graduate programs sponsored jointly by University College and either the Graduate School of Arts & Sciences or Washington University School of Medicine. Type or print clearly and answer all applicable questions. To apply for a graduate program at University College, please submit:

**1. A completed application form.**

**2. Official transcripts from all previous undergraduate and graduate study.**

You must request that official transcripts from all colleges and universities attended be sent directly by the registrar of each institution.

**3. A \$35 non-refundable application fee payable to Washington University in St. Louis.**

The fee is waived for all Washington University staff.

**4. Three (3) letters of recommendation.**

These should be completed by teachers or professional associates.

**5. Personal statement.**

In a one- to two-page essay, which must be included with the application, describe your educational goals, including your reasons for applying to the graduate program you have selected. Describe previous educational and professional experiences that are relevant to your proposed course of study, as well as other factors that have influenced your decision to pursue graduate study at this point in your life.

**6. Academic writing sample (selected programs).**

If you are applying to one of the programs listed below, please submit an additional writing sample, three (3) pages minimum, according to the following:

- **American Culture Studies:** Please submit a recent writing sample, preferably one that is research-based.
- **International Affairs:** Please submit a relevant and recent academic writing sample, preferably one that is research-based or an original essay in which you analyze a current international issue or problem.
- **Master of Liberal Arts:** Please submit a recent academic writing sample. If one is not available, please submit an original essay that answers the following question: What important idea, discovery, or work of art (including music and literature) has made a difference in your life and why?
- **Nonprofit Management:** Describe a significant challenge to the nonprofit sector during the next three years, and explain how you will respond to this challenge as a nonprofit professional.

**7. Test results (select programs).**

Test results for the following programs:

- **Biology:** GRE (Graduate Record Exam)
- **Education:** GRE or MAT (Miller Analogies Test)

Please have all test scores forwarded to University College Graduate Admissions using school code 2833 for the GRE or 2142 for the MAT.
